Description

## HQ Pro-Stitcher® Package

INTEGRATED COMPUTERIZED QUILTING FOR HQ MACHINES  
(HARDWARE AND SOFTWARE)

**\$12,995 MSRP**

The HQ Pro-Stitcher® quilting system integrates Handi Quilter's world-class quilting machines with the latest computer technology. The software is managed from a touch screen tablet conveniently mounted on top of the machine. This rich and full featured software is easy to learn and makes precise quilting simple and fun!
